

ABBA MEDLEY

For Ukelear Fusion - Draft 1

Created with graph theory, a waste of time, some maths and too many %s. My head hurts and Fernando won't stop playing in my brain despite the fact that it's not in this medley

The whole song is to be played *accelerando*
With kazoos

And a riffy **B**oi on distortion

ANGELEYES

C
Look into his angel eyes,
G
One look and you're hypnotized,
C
He'll take your heart
F **G**
And you must pay the price
C
Look into his angel eyes,
G
You'll think you're in paradise,

And one day you'll find out
He wears a disguise
Don't look too deep into those angel eyes
Oh no, no, no, no.

HONEY HONEY

Honey honey, let me feel it,
Ah-hah, honey honey
Honey honey, don't conceal it,
Ah-hah, honey honey

The way that you kiss goodnight
The way that you hold me tight
I feel like I wanna sing
When you do your thing

I don't wanna hurt you, baby,
I don't wanna see you cry

So stay on the ground, girl,
You better not get too high
But I'm gonna stick to you, boy,
You'll never get rid of me

There's no other place in this world
Where I rather would be

MAMMA MIA

Honey honey, touch me, baby,

Ah-hah, honey honey
Honey honey, hold me, baby,
Ah-hah, honey honey

You look like a movie star
But I know just who you are
And, honey, to say the least,
You're a doggone beast

I've been cheated by you,
Since I don't know when
So I made up my mind,
It must come to an end

Look at me now, will I ever learn?
I don't know how
But I suddenly lose control
There's a fire within my soul

Just one look and I can hear a bell ring
One more look and I forget everything, woah

Mamma mia, here I go again
My my, how can I resist you?
Mamma mia, does it show again
My my, just how much I've missed you?
Yes, I've been broken hearted

Am **Em** **F**
 Blue since the day we parted
Bb F Dm **G**
 Why, why did I ever let you go?
C **Am** **F**
 Mamma mia, now I really know
Bb F Dm **G**
 My my, I could never let you go

DOES YOUR MOTHER KNOW

C **Caug**
 Take it easy, (take it easy)
C **Caug**
 Better slow down girl,
C **Caug**
 That's no way to go,
C **Caug**
 Does your mother know?
C **C7**
 Take it easy, (take it easy)
F **Fm**
 Try to cool it girl,
C **Fm**
 Take it nice and slow,
C **Fm**
 Does your mother know?
